

Services

Mihon Destinations Management offers outstanding travel programs into Eastern Africa. We provide various activities and services including scheduled and tailor-made safaris, adventure, sport, cultural, eco-tours, excursion, meeting, incentive, conferencing and events management (M.I.C.E).

Our expertise and initiative enable us to provide the most exciting and flexible itineraries. We offer value in services that we provide to our clients. Our office base in Nairobi makes it possible for us to work closely with the local suppliers to negotiate the best possible rates with the various service providers.

The discounted rates and savings are passed on to our clients, so you get expert advice and professional assistance at a reduced cost. We make sure that the services and products are of appropriate standard at all times.
